## **NOI DHEC 3724 Directions**

- 1. Purpose:** To provide notifications and obtain information on the construction of new wells that will be located in existing well systems, or will alone plan to withdraw in excess of 3-million gallons in any one month located outside of a Capacity-Use Area and within the Coastal Plain. These counties include all of Aiken, Allendale, Bamberg, Barnwell, Calhoun, Clarendon, Orangeburg, Sumter counties, as well as those portions of Chesterfield, Edgefield, Kershaw, Lexington, Richland, and Saluda counties east or southeast of the fall line as identified on a Geologic Map.
- 2. Filing Process and Office Dynamics:**
  - A. Once a NOI is received the Department will issue the facility a sequential Groundwater Withdrawer registration number.
  - B. Once the well is drilled, the owner of the well is responsible to submit a Well Driller's Record, DHEC Doc. # 1903, or other approved construction forms to: SCDHEC (Water Permitting Section), 2600 Bull St., Columbia, SC 29201.
- 3. Guide to Completing NOI Form:**
  - A. Complete steps 1-11 as appropriate. For cells #1 – cell #6, complete for the owner of the facility. For cells #7 - cell #11, complete for the main contact of the facility with the Department.
  - B. To the left of the Groundwater Use description put the number of wells owned by the facility used primarily for that purpose. To the right of the Groundwater Use description, estimate the amount (in millions of gallons per month) to be used collectively by the well(s).
  - C. Complete the well driller's information, if known.
  - D. Include a map of the facility including operating wells, well identification, and a latitude/longitude of each well.
  - E. This form should be signed by the individual who will hold ultimate legal responsibility.
